# **Advisory Committee Welcome!**

Thank you for serving on the Advisory Committee for the US 14/WIS 11 Corridor Study. The Study Team, composed of WisDOT staff and their consultants, know that your time is valuable so we truly appreciate your involvement with this study.

The Advisory Committee is composed of local officials from the city of Janesville, village of Darien, Rock and Walworth counties, and the towns of Rock, LaPrairie, Harmony, Darien and Bradford.

As members of the Advisory Committee your roles and responsibilities are as follows:

1. Help refine and suggest changes to the purpose and need statement.
2. Help improve communications between the Study Team and the organizations represented on the Advisory Committee, such as the Town Boards, City Council, Board of Supervisors.
3. Review data from Study Team. Take data back to your respective organizations to get feedback from them and request/suggest changes.
4. Provide advice about how to communicate the technical information and exhibits to the public.
5. Provide advice to the Study Team on the most effective way to reach the public at public meetings, such as most effective meeting times and locations and the overall format of public meetings.
6. Help review and suggest refinements to the alternative solutions with the Study Team.
7. Help review environmental analysis and documentation that is created as a result of this study.

**We look forward to working with you on this project and  
appreciate your input and assistance.**
